#### TRAIL WORK DAYS

The Price County trails were referred to as *"Priceless by the American Snowmobiler (November 2006)"*. The trails play an important part in the promotion of local tourism, economic development and sustainability. The club operates year to year with dedicated volunteers. **Thanks to:** Ron Schuh, Lawrence Hilgart, Jack Bodoh, Jon Bodoh, Bill Wehrman, and Mike LeDuc for continued dedication and commitment to maintain the precious trails.

**FOR A GOOD TIME --- CALL.....**

After the recent Womanless Beauty Pageant, we are now aware of some real beauties that may be available. Contestants from, Round Up, Wojcieszak's Resort, OK Coral, MT Pockets, Moose Jaw Resort, and Winter Green Resort strutted their stuff to encourage a winning vote.
