

SEPTEMBER NEWSLETTER **2010-1011**

.....**HAPPY NEW YEAR**..... I welcome this opportunity to express my excitement and enthusiasm for the start of the 2010-2011 season. The club continues to operate from year to year with a dedicated base of volunteers. New members and volunteers are welcome and greatly appreciated. If you use the trail system, please consider donating some time to preserve this great resource and the quality of life in the Park Falls area. The Price County trails were referred to as *“Priceless by the American Snowmobiler (November 2006)”*. The trails play an important part in the promotion of local tourism and economic development and sustainability.

Make an effort this year to get involved, join us for our general meetings, or if you would like, take part in trail maintenance, or learn to drive a groomer. Contact any board member for more information. The board has set a goal this year to increase club membership. Follow the newsletters and the promotions by AWSC in encouraging your friends to join our club. **Here’s to another successful and safe snowmobile season.**
